## **Division Reunion Registration Inside!**

---

Compatriots:

The Louisiana Division of the Sons of Confederate Veterans engaged in Mardi Gras festivities across the state this year. We sported entries in a number of parades, the biggest again being the Krewe of Janus in Monroe/West Monroe. Congrats to all who participated and attended, and especially to those who worked to get us involved in all of these. We had notable attendance, but we still need to work on getting our numbers up.

Our Confederate Flag Day Runs were successful and well supported. The Northwest and Northeast brigades combined to make the run on I-12 from the Texas line to Vicksburg, Mississippi. In the Southwest Brigade, one run started on I-10 in Lafayette and met the other starting from Lake Charles at Jennings. A combined 23 people and eleven vehicles/motorcycles participated. The Southeast brigade started just west of the Mississippi line and headed to Hammond on I-10/I-12, and up to Osyka, Mississippi on I-55. Fifty people and 37 vehicles/motorcycles participated. A great time was had by all who made the rides, and the public was very supportive.

We are just a little over a month away from our Louisiana Division Convention & Division Executive Council Meeting on May 17-19 (Friday to -Sunday) in Metairie at the Landmark Hotel / Copeland Tower Suites & Conference Center, 2601 Severn Avenue, Metairie 70002. Our hosts, Beauregard Camp 130, are planning a terrific reunion. This is your greatest chance this year to support your organization. Please make every effort to attend and make a contribution to the operations of the division.

The Division Executive Council recently commissioned a Louisiana Republic Flag to be made and placed in a flag display inside the new SCV Museum in Elm Springs, Tennessee. The flag will hopefully be completed in time for viewing at the Division Convention in May. The museum should be open in 2020.

Deo Vindice!

Randy Jarreau, Commander  
Louisiana Division  
Sons of Confederate Veterans

Greetings Compatriots!

We are in the middle of a very busy spring campaign! Since events are happening all over the Confederation, you have plenty activities to attend.

Thanks to all that attended our national SCV rally at Stone Mountain on April 6<sup>th</sup>. We cannot allow the enemy to sandblast our largest monument. Georgia politicians will calculate their next move based on our turnout at this rally.

Also, please attend our annual Louisiana Division Reunion in Metairie in May. The Beauregard camp is working hard to create a wonderful convention for us. Please be there!

If you have not already done so, please join the Confederate Legion. To win this fight, we must campaign from the bottom up. We need funding for positive, Confederate-friendly media to go nationwide. With your help, the public will support our heritage preservation efforts.

Finally, contact former members of your camp and encourage them to renew their dues. Tell them we need their help to save our heritage.

Gentlemen of the Louisiana Division,

Southwest Brigade Flag Run Report : The Southwest Brigade flew it's colors over south Louisiana this past morning of March 2nd. With two groups converging from both east and west directions we met in the middle at the Jennings Oil and Gas Park located off of I-10. Due to the combined efforts of the Brig. Gen. J.J. Alfred A. Mouton Camp #778 and the Capt. James W. Bryon Camp #1390 we had our biggest turnout to date w/ 23 people and 11 cars/motorcycles. There was a good time enjoyed by all. After an Invocation and blessing of our food we were treated to some good ol' hot dogs prepared for us by compatriot Archie Toombs. With that said and done, with a Benediction, we parted our separate ways to reflect on the day's event. Thanks to all who contributed and made this possible.

George D. Gremillion

## Are We Fighting a Losing Battle?

Well, now that I have your attention, I will ask the question again. Are we fighting a losing battle? I respond unequivocally, HELL NO, with the emphasis on “Hell” and “No”. And we are not going to lose; I’ve read the end of the Book.

We are NOT fighting a losing battle, we are fighting a LONG battle. Contrary to what you may think, this battle did not start when idiot Roof entered that Charleston church and murdered innocent worshippers. It didn’t start when the Liberal Dimwits decided to commit time and money removing Confederate icons. This anti-Christian, anti-Southern, anti-Confederate or anti-whatever you want to call it, started a long time ago.

As a matter of fact, if you want to get right down to it, GOD allowed this to start. You are probably saying to yourself, “Whoa, Chaplain, where are you headed with THIS?”

Bear with me. Our battle today is an extension of what happened in the Garden of Eden. You might find that a stretch.....but bear with me. God allowed Satan in the form of a serpent to tempt Eve. When Eve offered the fruit to Adam, God knew Adam wouldn’t stand under the temptation. As a result, sin entered the world just as God planned. Why God allowed this is a whole “nother” article. That sin was in the form of GREED, that intense and selfish desire for something, especially wealth and power.

Greed, throughout the ages, has spawned countless wars, murders and lies. It has destroyed men, women and marriages. It is the father of hate, division and discontent. And Satan LOVES it. He is the Father of Lies.

It was Yankee greed that caused the invasion and destruction of our Cherished Southland. It was Yankee lies that have perpetuated and promoted hatred for the South

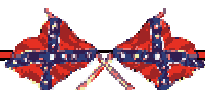

So, as Christians, Southerners and Compatriots, how do we fight this battle? Ephesians 6 has the answer. I encourage you to read the whole chapter for it is excellent guidelines on “fighting the good fight”

We fight lies with TRUTH. Paul tells us in *Ephesians to” put on the whole armour of God, that ye may be able to stand against the wiles of the devil.”* Simply put, we “cooter up” with the TRUTH. It is our best offensive strategy.

This is not a battle in the physical sense. It is spiritual warfare fought with the Word of God, which is Truth. It is fought with knowledge, which also is truth. It is our duty to promote the TRUE HISTORY OF THE SOUTH

You and your camp have access to an excellent venue full of resources in getting the truth out to social media, radio and TV; [makedixiegreatagain.org](http://makedixiegreatagain.org). If you or your camp have not done anything, DO SOMETHING! Evil prevails when good men do nothing.

Deo Vindice, God Will Vindicate

## The Louisiana Division needs your help!

The Division Executive Council recently approved the purchase of twelve 35 foot tall flag poles. These were acquired at a significant savings versus the cost of new poles. Our intent is to place these poles at various locations across the state.

Here is where we need help. The poles are presently being stored at a secure location in the Metairie area. We are in need of a means to transport the poles to installation sites to be determined.

We also need advice on the size footing that will be needed to mount the poles in the ground. They have a 4 hole flat base that we have the schematic for, but need recommendations on the base size and design, amount of concrete needed, etc.

If you, or someone you know can help with this project, please contact Division Commander Randy Jarreau at [rgyro@yahoo.com](mailto:rgyro@yahoo.com) or 225-933-4694.
