Announcing the Department of Mississippi & East Louisiana

The Department of Mississippi & East Louisiana (MISSELA) is a group of SCV members from Mississippi and Louisiana who share & coordinate events from the SCV MS & LA Divisions. The Department's mission is to strengthen a relationship between the Divisions for the purpose of promoting Confederate Heritage and the defense of Southern History.

A Facebook group page has been created for the mission stated above:

<https://www.facebook.com/groups/MISSELA/>

We hope this will offer a good means of communications for Sons of Confederate Veterans members to know what events are going on between Divisions and a fast and easy way to discuss SCV functions.
